PRESENT: Susan Souders, Tom Pryor, Kendra Tinsley

Call To Order

Susan Souders,
Chairperson

Susan Souders, Chair of the sub-committee provided the report. The education survey has been completed. Very few hospitals and EMS services provide education. Coffeyville, Labette County Medical Center and Independence provide TNCC. Labette County Hospital/EMS and Eaglemed provide PHTLS.

Susan reported that she received the funding for the TNCC course held last spring.

The sub-committee has determined that twelve doctors are interested in an ATLS course and three mid-level practitioners are interested. However, Susan reported challenges in getting a coordinator to host the class in the SE region.

Susan will prepare a PowerPoint presentation regarding the education sub-committee efforts for the August 21 general meeting.
